I am Council Member Peter Weiss, of the City of Oceanside. Currently, I represent Council District 4.

I write as an individual to urge you to support Map 13a v.1-6 and ask that you endeavor to maintain the North County Supervisor District as it presently is, a mix of urban and rural, coastal and inland.

As a former Oceanside City Manager, I am very familiar with the many overlapping responsibilities of incorporated cities and special districts that are a distinctive feature of North County.

As an elected leader of an incorporated city, I believe it important that our neighboring unincorporated communities be maintained within the North County Supervisor District.

Map 13a v.1-6 respects North County's communities of interest where we share common social and economic interests. Map 13a v. 1-6 provides a fair and representative district and I urge you to support it.

Peter Weiss  
Oceanside City Council
