Hello Commissioners,

I am a lifelong resident of Vista. I have been following the work you have been task with and first of all would just like to say thank you for your service. Over the last months, community has provided their input and now is the time come to an agreement with a final map. While no maps will ultimately make everyone happy, I do see a path forward that respects COI's in versions 13v 1-6 or 13v 2-4. Please keep North County connected along the 78. We have industry centers and transportation issues that would benefit from having one representative and not being split. Thank you.
