eComment :

Hello, my name is Andrena, I am a member of the Chaldean community. I have been living in El Cajon since my arrival to the United States which has been 10 years since. I do not want East County to be separated for many reasons, especially the fact that this change isn't necessary. My Chaldean community is in East County and PANA who claims to represent our community does not because we are a big community and we represent ourself.
