Middle Easterns for East County.

Good afternoon IRC Members,

We are the members of the Imam Ali Islamic Center of San Diego. We are located in Lakeside, but hundreds of our community members are from El Cajon, Ranch San Diego, Santee, and other East County cities.

Our Islamic Center's attendees are mostly Middle Easterns from Iraq and Afghanistan.

We are writing to you to ask you to please do not recommend a map that divide our Middle Eastern community.

Please consider our Middle Eastern community as a community of interest and keep El Cajon with the rest of East County cities.

Thank you
