Dear commissioners,

As a resident of Elfin Forest, I want to express my sincere thanks for taking the time to listen and hear the voices of our community, over the special interests of non residents who wished to sever our community, and move us to a BIA-friendly district to which we have no geographical or community ties. Past redistricting shenanigans in the early 2000's took us from D3 to D5, and we really welcome the decision to return us to our community of interest, with our school district in Rancho Santa Fe, our San Dieguito High School District and our closest neighbors in Olivenhain. I encourage you to approve the Final Draft Map without any further alterations, and reiterate my and the entire community's gratitude for your vote.

Respectfully,

Jacqueline Arsivaud
