Dear decision makers, my name is Nasra Zora. I am a member of the Chaldean Community. My family and I have been in ElCajon since 2008. The community in this area is helping us to feel safe worthy and productive. It is known that being a part of a group is powerful to think positively and work hard to go forward in your planned life. Please note that our family goes to school, church and work in El Cajon and east county, and We all vote together as a community. Please consider the emotional pressure you will put people when separating them apart. Don't separate El Cajon and the rest of east county. This will separate our community and our voice.
