My name is Ruth Rosas. I have family who resides in Barrio Logan, National City, Chula Vista, Imperial Beach and San Ysidro. I hope this commission draws a South County Border District that upholds the voting right acts and includes all of San Diego's border communities from San Ysidro all across the international border. Our neighborhoods share so much in common. Our families face many of the same challenges-quality education, pollution from the port and border, COVID. But until this past November, we never even had a Latino County Supervisor representing us. One of the biggest obstacles to having our voices heard is being in the same district as Point Loma and Coronado. Look at what happened in Coronado when Latino kids came to play basketball there. They threw tortillas at us. Insulted us. Cursed us. If Coronado doesn't think we belong in their city, why does Coronado belong in our district? One thing we've never had working families in Latino South County deserve a strong, equal voice.
