eComment :

I strongly support all of North County San Diego remaining in the same district - from Oceanside to Fallbrook and Ramona, we are 1 community. My small business operates in multiple cities across North County, my children go to schools in different cities and we have church campuses in different cities, but they're all part of the same larger community that is North County. I understand that redistricting is necessary, but please keep North County whole. Thank you.
